

# AMO

Conference, Events and Awards

## INTERNATIONAL CONFERENCE ON ATOMIC, MOLECULAR AND OPTICAL PHYSICS

### CALL FOR ABSTARCT – AMO AWARDS

**About Awards:** ScienceFather takes the privilege to awarding the Industries, Academicians, Researchers, Scientist, and Regulators from Science, Health and Medical fields across the globe to its International Events. The International Conference on Atomic, Molecular and Optical Physics is an annual gathering. This Event is a unique international platform that's a meeting of all Researchers. We look forward to personally welcoming all the award winners.

**Objectives:** The International Conference on Atomic, Molecular and Optical Physics International Events is awarding high quality Researchers in different subfields. The purpose of award ceremonies and assemblies is to celebrate researcher achievements and motivate them to continue on their path. The Good researchers are more motivated to succeed in their research field. People want to be respected and valued by others for their contribution. Offer the opportunity to be updated on the latest research outputs on several topics. Organize specific workshops around the most attractive and current issues. Gather worldwide experts as Event speakers.

**Key Features and** Excellent Venue | Inspiring Speakers | Certificate | Medal | Memento | Stage Photograph | Awardees listed on website.

**Topics of Award Subjects include, but are not limited to:** Atomic Physics | Molecular Physics | Optical Physics | Quantum Optics | Ultrafast Physics | Cold Atoms and Molecules | Plasma Physics | Laser Physics | Quantum Information Science | Nonlinear Optics | Atomic and Molecular Spectroscopy | Quantum Electrodynamics | Quantum Optomechanics | Atomic and Molecular Astrophysics | Atomic and Molecular Collisions | Quantum Optics with Superconducting Circuits | Attosecond Science | Quantum Materials | Coherent Control | Quantum Metrology
